## NEW BUSINESS

1. 2014 - We need Executive and Board Members - this is extremely important to ensure our hall continues to function and thrive. If you haven't volunteered in the past, now is the time.
2. Volunteering is important. WHY? It allows you to get to know your community, make new friends and be part of a team. Because there is no one else to do it. You will learn something new, do something different, keep skills alive and help make a difference. You can stand up and be counted, be recognized and feel satisfaction from your accomplishments. You will be challenged.
3. 2014 - It is suggested we hold a Community Garage Sale in May. Those who are interested in participating with a table or attending, please call or send email before the end of January, 2014 so plans can be made.
4. 2014 - Budgeting and Planning - What do you want to see improved at the hall? What functions/events would you like to see offered at the hall? What seminars/programs would you like to see offered at the hall? Do you know of any organization/group/office that needs space to hold meetings. The Hall is rentable for these type of functions.
5. Community spirit is important. It ensures that you and your hall prosper and thrive together. It raises awareness of issues regarding the hall which concerns everybody. It creates an appreciation for what we have as a community and the remarkable resource, the hall, that is available for our use.
6. Old Wooden Chairs - We need these chairs to be gone so we have room for and to help pay for the new chairs purchased. We have approx. 200 units to move - asking price of \$2.00 each.
7. PURCHASE your 2014 Magnolia Community Club Membership.
