MAGNOLIA COMMUNITY CELEBRATED 100 YEARS - Imagine being able to celebrate 100 years? This experience was joyful, tearful and overwhelming as old friends met again, generations of families were present, stories were shared, pictures taken, music played and food eaten. The special weekend had campers from all over, hot dog roast, steak supper, breakfasts served by long time families... and memories for all. Memories that will last a life time. Special thanks go to ALL that volunteered their time and energy to make this celebration special.

HALL REPAIRS - Three major expenditures were incurred this year. All tables and chairs were replaced with new, improved versions. The roof was in need of being replaced and this was done with a metal roof. Finally, the total attic was reinsulated. Our hall is now toasty, warm and comfortable. It is JUST right for renting.

JAMBOREES - October's was our First Jamboree. We also had its first hot luncheon for the winter season. The food was enjoyed as the salad, vegetables, cheese, brown beans, buns, beverages/coffee and ice cream was devoured. The successful evening would not have happened without the people who attended, the performers and their music, the volunteers who prepared and set up the luncheon and volunteers who cleaned up afterwards. We will have a hot luncheon for December and January as well.

The Jamborees are important to the well-being and continued functioning of the Magnolia Hall. What do you think would make the Jamborees more successful? What do you want to see happening in the future? What are your expectations? We need your feedback! Call or email any of the board with your suggestions and ideas.

UFA GET & GIVE CONTEST - Check out our entry for this contest under: Gallery - Magnolia at www.getngiveufa.com. We still have three more shots. Let's keep our fingers and toes crossed.
