The 2015 Volunteer of the Year was Rick Anderson. Thank you for the many years serving as a board member! Rick is a familiar face at the Hall's Jamborees. His participation in the Magnolia Slo-Pitch Ball Team and help in coordination of the Annual Slo-Pitch Ball Tournament makes this event a yearly success.

Esten Christensen was honored at the Annual Christmas Pot Luck for a "Lifetime of Service" to the Magnolia Hall and Community Club. The commemorative naming of the ball diamond/park area as the "Esten Christensen Park" will be recognized with a sign and "green area". This will be erected Spring of 2016.

The Hall received a Parkland County Grant to renovate the kitchen pantry, coat room and concession area. This grant plus the Magnolia Ladies Club Contribution will allow this renovation to finally happen. Expertise demolition, plumbing, electrical, installation of doors/cabinets/counters/shelving, painting is needed to make this renovation successful. Donations would be welcomed for any suitable materials or supplies. Also, organizational skills will be handy in setting up the new pantry and office. Email the webmaster@magnoliacommunityclub.ca if you have expertise, are able to help or have something to donate.

The board members attended a "thought provoking" strategy meeting early January, 2016. Areas of concern were - attracting volunteers, increase revenues for the hall through hall rentals, contemplation of another ball diamond, breeze way project and more.

ON THAT NOTE... come to the AGM Meeting, March 8, 2016 to find out what happened in 2015 and what is planned for 2016.
